

WEEKLY REPUBLICAN—1907.  
DAILY PUBLIC LEDGER—1908.

MAYSVILLE, KY., WEDNESDAY, JANUARY 16, 1907

ONE COPY—ONE CENT.

The venerable Robert Means of East Second street is in very feeble health.

Mr. George Burrows, who has been ill at his home in East Third street, is able to be out.

News. Scudder Means and John Baird are both very sick men at their homes in the Fifth Ward.

The Epworth League of the Third Street M. E. Church will hold a business session this evening at the home of Miss Birdie B. Walsh beginning at 7 o'clock. All officers are requested to bring their reports and every member is urged to attend.

Miss Katie McFadden, night operator at the Telephone Exchange, was called to Mt. Sterling yesterday on account of the death of her brother, Daniel McFadden, who died yesterday morning of typhoid fever after an illness of one week, aged 21 years. She was accompanied by Miss Margaret Gullfoyle.

It is almost impossible, under ordinary circumstances, to associate a play like "Lucretia Borgia" with a popular priced company. The Restrow Stock, which is filling a week's engagement here, demonstrated the fact that they at least could present the great creation in a manner worthy of unbounded praise. Miss Clara Mathes as the Italian poisoner and Elmer Buffan as Guenore, the soldier of fortune, scored a hit. The support was fully up to the requirements of the play and deserves special mention. This afternoon the big bargain matinee will be given, with the "New East Lynne" as the attraction. 10 cents to all parts of the house. Tonight "Jekyll and Hyde" will be presented.

### MASON COUNTY BAR

Held a Meeting Yesterday in Honor of Judge A. B. Cole

The Mason County Bar Association met at the Courthouse yesterday at 11 a. m., to pay respect to the death of Judge A. B. Cole, lately deceased.

The meeting was called to order by M. C. Hutchins, he being the present oldest member of the Bar, and T. D. Slattery was chosen Secretary. Remarks dealing with the life and professional services of Judge Cole were made by T. R. Phister, G. W. Adair, C. L. Snice and C. D. Newell.

A Committee on resolutions was appointed, consisting of the following named gentlemen—T. R. Phister, C. D. Newell, T. M. Wood, James Collins and G. W. Adair.

The Committee was instructed to report at a meeting to be called later.

The members of the Bar accompanied the remains to the depot.

### LAST OF FAMILY

Miss Elizabeth Bryant Johnston Prominent in Literary World

THE LEDGER yesterday briefly noted the death in Washington City of Miss Elizabeth Bryant Johnston, a native of this county and the last of her family.

The Washington Star says for thirty-five years she was identified with social and literary life at the Capital, the trend of her mental powers being along historical lines, chiefly on the life and services of the first President. Her volume on "Original Portraits of Washington" has long been accepted as authority, and her second book, "Washington, Day by Day," is used as a text-book in the Public Schools. The versatility of her talents is shown in the dialect stories, "Christmas in Kentucky, 1862," and "The Days that are no More," vivid descriptions of incidents in her native state in antebellum days. Miss Johnston was identified with the Gerfield Memorial Hospital from its beginning, and always had a place on the Board of lady managers, and from her experience there, foreseeing the need of skilled nurses, she spent nearly a year in efforts to raise money for the first Nurses' Training School established in Washington. She was an active and enthusiastic member of the D. A. R., having held the office of Historian General, and her interest in Memorial Continental Hall was especially notable because of her persistent and successful advocacy of commemorating the thirteen original states by stately columns on the eastern portico. She was a member of the Board of the Columbia Historical Society, and one of the early and leading members of the Washington Literary Society. Her unselfish life made for her a circle of admirers, who appreciated most highly her unusual gifts. Her funeral took place yesterday, the interment being private at Rock Creek Cemetery.

Mr. Chas. E. Climmerer, the hustling agent of the Isle of Spice and right hand man of Mr. B. C. Whitney, was in town yesterday looking after the interests of his show. Mr. Climmerer was impressed with the improvements made since his visit here last season, and he says that nothing is so noticeable in a town as good streets.

Mrs. Susan Masale of Washington received a very severe fall yesterday while on a visit to her sister, Miss Mary Marshall, at the old Marshall Homestead at Washington. She is badly bruised but is resting fairly well this morning.

### WHO KNOWS HIM?

Chief of Police Ort yesterday received the following telegram—

LOUISVILLE, Ky., Jan. 15th, 1907.

Chief of Police, Maysville, Ky.: Peter Myler, white, aged 42 years, died here today. Notify relatives. He worked at livery stable. Auswer.

### A BIG RIVER

The Ohio is Now at a Flood Stage and Still Coming Up

If the promised cold wave pans out according to the weather man's forecasting and the check in the rise of the river at headwaters continues, it will be the means of relieving our Front street residents of grave apprehension in regard to a flood tide.

It is possible that the stage of the river at this point will reach a little the rise of 50 feet, but with that no serious discomfort will result from it. Water craft, coalboats, rafts and such like, are safely ensconced in splendid harbors and are thus protected from danger.

There is a large expanse of backwater covering the bottoms bordering Limestone creek, and the river is now encroaching on Limestone and Wall streets, at either corner the passing is cut off.

Only six times in the past seventy-five years have there been high water during the month of January, as follows—

1862—January 24	57.4
1870—January 10	55.3
1874—January 11	47.11
1876—January 29	51.9
1877—January 20	53.9
1885—January 20	46
1884—February 14, big flood	71.4

The water this morning is over Bridge street and the streetcars are now transferring passengers.

Rain Coats, Jackets dry cleaned at No. 6, East Second street.

This is the time to prepare your samples for the Tobacco Fair, Saturday, February 23d, 1907.

Saturday, January 19th, will be the 100th anniversary of the birth of General Robert E. Lee.

If the brick streets could be kept as clean as they have been the past week, owing to the incessant hard rains, wouldn't it be nice? Leaving out the rain, of course.

The present officials of the Germantown Fair Company have voluntarily begun to pay off the indebtedness of the old Union Agricultural Society. In late years the annual exhibits at Germantown have been very successful, and this action in paying off the accounts of the old organization is worthy of especial note.

Why is it that everything and everybody can combine and "get together" except the Churches?

THE Government has decided to build the largest battle-ship in the world at a cost of over \$10,000,000. The new vessel will be of the Dreadnaught type, but with superior armament.

THE "Wait a Minute" genius of The Louisville Herald, who by the way edits one of the most amusing features of any paper extant, says—

"CARRIE NATION declares dancing is plain hugging. Dancing with CARRIE might be called plain hugging."

Ain't that the truth? Some fellows would say worse an' that.

JOHN D. ROCKEFELLER's little donations of \$2,000,000 toward establishing a great University at Louisville, is received with expressions of great joy throughout old Kentucky. The people won't complain about the high price of gasoline as long as Uncle JOHN DEE gives us an occasional \$2,000,000 rebate.

RARE BEN TILLMAN don't mean a word he says about President ROOSEVELT and he knows it. The person who takes TILLMAN seriously wouldn't know a circus from a prayermeeting. TILLMAN only talks to the galleries of the Senate. His colleagues all laugh at him. His oddities and freakish originality are what makes him appear popular and ARTEMUS WARD would term him an "amusin' cuss."

CHICAGO is scared over the frequent visits of earthquakes, and the residents of that great but wicked city are fearful that they will be swallowed up by Lake Michigan.

ONE of the anomalies of these unparalleled prosperous times is that the great money centers of London and New York are in financial straits, and business is really suffering on account of the scarcity of hard cash. The situation, however, is logical, as money, like water, will seek its level, and the bulk of the money of the country is now scattered in the Banks and the private coffers of its rightful owners and earners, i. e., the people.

ANOTHER Democratic blunder. A dispatch from Washington states that CHAMP CLARK of Missouri is to be Democratic leader in the House of Representatives and the party candidate for Speaker in place of JOHN SHARP WILLIAMS of Mississippi, the present leader. Mr. WILLIAMS is one of the really great men of his party, and there must, per force, be good and sufficient reasons for putting CHAMP in his place.

This is the age of improvement and all improvement should combine beauty with utility. The little city of Augusta has an organization of women called the "Civic League," which is working wonders in the transformation of Augusta into the city beautiful. The main objects sought are cleanliness of the streets and sidewalks, and the improvement and beautification of yards, lawns, homes and all public places and places. The enterprising women of Maysville should take this matter up, as it is a pleasant diversion and they would be astonished how quick the public and the merchants would hasten to assist in the work. Waste paper boxes and receptacles for street and sidewalk litter would fill a long-felt want now at certain points in this city. The idea is worth consideration, at least.

## THANKFUL

To my many friends and the public generally who have in the past extended to me such a liberal share of their patronage, which has helped so materially in making my business career in Maysville such a success: I want to assure all that I fully appreciate what they have done for me, and promise that I shall, by renewed efforts, endeavor to retain the confidence of the public by pursuing the same course of fair dealing and polite attention in the future as in the past and selling the very best goods at the most reasonable prices.  
My stock is now the largest and most varied it has ever been my pleasure to offer to the public, consisting of every article in the Staple and Fancy Grocery line. These goods are fresh and new and of the very best quality. My last shipment of New Crop Open Kettle Molasses is now in and they are strictly fancy, and in spite of the fact that prices on these goods have materially advanced I am still selling them at the very low price of 60c per gallon. My stock of CANNED GOODS is unusually large and the quality of the very best.  
The demand for PERFECTION FLOUR is rapidly growing because it is beyond a doubt the very best Flour sold in Maysville or that can be made. It has no superior anywhere.  
The run on my fine Blended Coffee has been enormous and is constantly increasing. I am still selling these fine goods at 18c, 20c and 25c per pound, and if you want a strictly fancy high grade Mocha and Java, the finest that can be produced, don't fail to call for Mr. James H. Harrington Hall, steel cut, sold only in one-pound airtight tins at 35c per pound. A fresh supply of fall catch crackle-cut just in. If you want something extra try one of my fancy Blister Meas, heads and tails off.  
A big invoice of very fine Premium Chinaware just in, a sample of which may be seen in my warehouse window. These goods I give to my CASH customers in redeeming tickets given out with their cash purchases. Until further notice DOUBLE TICKETS will be given with each cash purchase on SATURDAYS. By taking advantage of this proposition the purchaser will very soon accumulate enough tickets to secure a fine set of china FREE OF COST.  
I buy strictly fancy Table Butter, Fresh Eggs and Country Produce generally, for which I pay cash or trade at lowest cash prices. I want everyone to come and see me; always welcome. If you don't want to buy it will be a pleasure for me to show you the nicest, the cleanest and the best kept store in Northeastern Kentucky. Thanking all again, I am most sincerely,

### TESTIMONIALS

What Some of the Most Prominent Women and Men in This Vicinity Have to Say of The Celebrated Home Comfort Wrought Iron Cooking Ranges.

Wrought Iron Range Co., St. Louis, Mo.

"I have used a Home Comfort Range for the past twelve years and found it to be the most durable stove made. It does not consume one-half the fuel of an ordinary cast stove. Can say I would not take the price I paid for it and do without it."

Several hardware men tried to convince us that we could buy the same range for one-half the money, which we found untrue, and I don't think anyone could make a mistake in purchasing a Home Comfort Range. Very truly yours,  
Mr. and Mrs. RUFUS K. ROBINSON,  
Maysville, Ky.

Wrought Iron Range Co., St. Louis, Mo.

"I have used a Home Comfort Range for the past twenty-four years and have only had repairs once during this time. It is as good as new and does its work nicely. Don't think anyone could make a mistake in buying a Home Comfort Range. Very truly yours,  
GEORGE T. WILSON,  
Sand Hill, Lewis county, Ky.

Wrought Iron Range Co., St. Louis, Mo.

Gentlemen—We have been using one of your ranges for about twenty years and during that period it has been in constant use.

My mother used the range about fourteen years of this time and I have used it for about seven years. It is in good order now and cooks as well as it did when new. The water tank is also a great feature.

We are well pleased with your range and recommend it to the public. Very respectfully,  
DR. L. H. LONG,  
Northfork, Ky.

This is to certify that I have been using a Home Comfort Range for the last twelve years. In that time my house was burned down and the range fell into the cellar and layed there for twenty-four hours redhot. The range is in use today as good as new. The reservoir and brackets it rests on were the only things that warped, and the company replaced them free of charge.

Chronic Coughs

NEED VINOL

it stops the cough because it cures the cause

This is the season for coughs and colds, and for the benefit of Maysville people our local druggist, John C. Pecor, tells them the best means for a cure.

He says: "Take Vinol, our real cod liver preparation without oil. It does not upset the stomach like cough syrups, and it is much more effective. Vinol is not a palliative but a curative."

This is because Vinol contains in a highly concentrated form all the healing, strength creating and medicinal elements of cod liver oil actually taken from fresh cods' livers, with all the useless, nauseating oil eliminated and tonic iron added. It tastes fine and cannot upset the weakest stomach, hence its wonderful power to cure.

We ask every person in Maysville, who has a chronic cough or hard cold to try Vinol on our guarantee.

The Buying Season is Almost Here

and the buying public is most cordially invited to call and inspect our line of harness. Our motto is "Make 'em Better." We have had our cutter go direct to the tannery, and, with our Mr. Brown, there inspect and buy just such leather as he thought the best. Again, when cutting the sides here in the work shop, he rejects all imperfect stock, putting in the harness the very best of leather only. You are the ones to profit by this care. It is in order to make you the most satisfied class of customers in the United States that we take such precaution. Do you mean to profit by it? Revival Services Being Held at the Christian Church

The large audience which attended the revival service at the Christian Church last night was well rewarded for braving the rain to go.

The singing was inspiring and the singing of "Face to Face Shall Behold Him" by the choir was most impressive.

Rev. McClellan chose for his text "What shall I do with Jesus?" Matt. 27:22, and a

more eloquent, scholarly sermon than he delivered one seldom hears. It was a masterpiece and forceful and effective. Its impression will last. "It is worth going out through any kind of weather to hear such preaching as that" said one of the auditors last night.

The service begins promptly at 7 o'clock and will last about one hour to one hour and a quarter.

Public is cordially invited.

### LEWISBURG.

There are several on our sick list. Hord Willett is visiting relatives near here. Mrs. Hamilton of Maysville is the guest of Mrs. Long. C. A. Goodman is doing a nice business here in his grocery. Mark Allen of Ewing visited Alexander Marshall the past week. Wood Bramel of Maysville was a caller in our town Friday evening. Mrs. Orta Bateman of Maysville was the guest of Mr. and Mrs. Goodman the past week. Little Katherine Reed, Calvert, daughter of Mr. and Mrs. Pearce Calvert, is quite ill with typhoid fever. The masquerade party given at the home of Mr. and Mrs. A. K. Marshall was quite a success. Every one enjoyed the evening very much and about \$14 was realized.

### BERNARD.

Mr. Lewis Kubel was visiting his brother, Mr. William Kubel, Sunday. Miss Annie Brodt is at Washington, working at the telephone office. Several crops of tobacco were sold in this community the past week prices ranging from 9 1/2 cents to 11 1/2 cents a pound.

The plies have become mud roads since the heavy rains we have had. Mr. George Shumate of Maysville was visiting his father here Sunday. Mr. Thad Bullock had the misfortune to lose a valuable horse by getting its leg broken. Mr. Sam Kubel gave a party at his home last Friday night, which was well attended by the people. Our Mail Carrier, Mr. Byron Rudy, has been unable to travel his complete route on account of the mud roads.

Mr. John Byron and his sister, Annie, attended the funeral of the infant child of Mr. Stan Baughle at Washington. Miss Emma Brodt of Cincinnati, who has been visiting her father, Mr. John Brodt, at this place, returned home Saturday. A special from Oklahoma says that President Roosevelt may refuse to proclaim the Constitution of the new State on account of a proposed clause for the separation of whites and negroes.

## WORKING WOMEN, WHAT THEY SHOULD KNOW

MRS. SADIE ABBOTT

MRS. PREE MCKITTRICK

Women for the most part spend their lives at home, and it is these women who are willing and ambitious that their homes shall be kept neat and pretty, their children well dressed and tidy, who do their own cooking, sweeping, dusting and often washing, ironing and sewing for the entire family, who call for our sympathy. Truly the work of such a woman is "never done" and is it any wonder that she breaks down at the end of a few years, the back begins to ache, there is a displacement, inflammation or ulceration of the abdominal organs, a female weakness is brought on, and the struggle of that wife and mother to continue her duties is pitiful. Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, is the exact medicine a woman needs whose strength is overtaxed. It keeps the feminine organs in a strong and healthy condition. In preparing for childbirth and recuperating therefrom it is most efficient. It carries a woman safely through the change of life and in making her strong and well assists her to be a good wife and mother. Mrs. Sadie Abbott, of Jeannette, Pa., writes: "I suffered severely with pain every month and also a pain in my left side. My doctor prescribed for me but did me no good; a friend advised Lydia E. Pinkham's Vegetable Compound and I wrote you in regard to my condition. I followed your advice and am a perfectly well woman. The pains have all disappeared and I cannot recommend your medicine too highly."

Mrs. Pree McKittrick, of La Farge, Wis., writes: "For six years I suffered from female weakness. I was so irregular that I would go from three weeks to six months, so I thought I would give Lydia E. Pinkham's Vegetable Compound a trial. "Now I am once more well and can do my work without a pain. Any one who wishes, can write to me and I will answer all letters gladly."

Women should remember that Lydia E. Pinkham's Vegetable Compound holds the record for the greatest number of actual cures of female ills. Every suffering woman in the United States is asked to accept the following invitation. It is free, will bring you health and may save your life.

### Mrs. Pinkham's Invitation to Women.

Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham, at Lynn, Mass. From the symptoms given, the trouble may be located and the quickest and surest way of recovery advised. Out of her vast volume of experience in treating female ills Mrs. Pinkham probably has the very knowledge that will help your case. Her advice is free and always helpful.

### DECIDE YOURSELF.

The Opportunity Is Here, Backed By Maysville Testimony.

Don't take our word for it. Don't depend on a stranger's statement. Read Maysville indorsement. Read the statements of Maysville citizens and decide for yourself. Here is one case of it: Mrs. Mary Thomas, wife of J. A. Thomas of 204 Limestone street, Maysville, Ky., says: "I am only too pleased to confirm the statement I made in the spring of 1900 recommending Doan's Kidney Pills, after they had relieved me of backache and other symptoms of kidney trouble. I got them at J. J. Wood & Son's Drugstore. During the years that have elapsed since I made that statement I have had occasion to give Doan's Kidney Pills a further trial and I have found that it requires only a few doses to ward off attacks of kidney trouble or to check them before they become serious. I can also point to the case of my boy, twelve years old, who at the time I first used Doan's Kidney Pills was troubled a great deal with weakness of the kidneys and could not cor the secretions properly. I gave him Doan's key Pills and he improved rapidly under treatment. The relief he found has proved lasting and from his experience and mine I am certainly warranted in recommending Doan's Kidney Pills."

For sale by all dealers. Price 50 cents a box. Foster-McBarn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitutes.
